Admission Requirements:
To begin training with the Southern California School of Interpretation prospective students must meet the following requirement:

I. Students must be fluent in Spanish and English and should be proficient with written skills in both languages at high school level or above.

A few student quotes:

"I just got my oral exam results (state) and passed with excellent scores! The classes not only made a difference in my exam but also in my everyday interpreting." - M. Diaz

"Recién recibí mis resultados del examen estatal para recibir certificación como intérprete judicial y aprobé el examen. ¡Lo hice! Y a la primera vez. Y fue gracias a las clases y toda la preparación que ofrece ahí en la escuela. Solo quería compartir la buena noticia con usted y agradecerle mucho por su ayuda, a usted y a todos que le ayudan en la escuela. ¡Muchas, muchas gracias!" - I. Luvéano

"Yesterday I received a letter informing me that I passed the oral exam! I cannot believe I passed it the first time around and I just wanted to thank you for offering such a great program, I could not have done it without you!" - I. Herrera

"This is to advise that I PASSED the Federal Oral Examination and that is thanks to your fine program". - M. Foraker

"Advanced Crim II is a class very well-structured. I feel as though I am studying at Juilliard School of Music or trying out for the New York City Ballet. This is not just simple hyperbole!". - M. Farrelly

About Us:
The Southern California School of Interpretation, was established in 1993 by our Founder and Director Mr. Néstor Wagner. Since then, we are the school with the highest pass rate of certified interpreters in California and Nevada. We specialize in preparing fully bilingual individuals in Spanish and English to be State Court, Medical and Professional Interpreters.

Currently, over 85% of the candidates who become certified interpreters in the states of California and Nevada are graduates from our programs.

We also offer instructor-led and non-instructor led continuing education courses approved by the Judicial Council of California for certified interpreters who need CIMCE credits.

This School has Received Verification of Exempt Status from the BPPE Pursuant to Education Code Section 94874(f)
